

- The international Master « Atmospheric Environment » is open to students presently preparing a Master 1 diploma in Chemistry or Physics. The Master 2 « Atmospheric Environment » starts at the beginning of September and ends at the end of June.
- The program is detailed on the website (<http://www.labex-cappa.fr/master-atmospheric-environment>) and is summarized hereafter.
- Fellowships (7000 euros/year) are available for all nationalities students. The fellowships are merit-based and open to students having the best academic records.

Master 2 nd year		Courses (for chemists)	Credits
Semester 1 (30 Credits) Lectures and practicals 1 st Sept. – 31 th Jan	AE1-CHEM	Advanced methods of analysis	5 ECTS
	AE2-CHEM	Homogeneous and heterogeneous reactivity	5 ECTS
	AE3	Physics and chemistry of the atmosphere	5 ECTS
	AE4	Advanced spectroscopic techniques	5 ECTS
	AE5	Observation systems for atmospheric monitoring	5 ECTS
	AE6	Languages (Advanced English /French)	5 ECTS
Semester 2 (30 Credits) 1 st Feb – 30 June	AE7	Lab research project	30 ECTS

Mastering of English language

All courses are taught in English. The advised language level in the Common European Framework corresponds to B2 (*i.e.* independent user).

If you don't hold any recent English language certification (*e.g.* TOEFL/IELTS/TOEIC) when filing your application, please proceed to your self-assessment by creating your own Europass Language Passport: <http://europass.cedefop.europa.eu/documents/european-skills-passport/language-passport>

If English is the medium of instruction in your university, then an official certificate stating this, issued by an officer of your university will be accepted.

INTERNATIONAL STUDENTS: at the same time of this application, you must complete the [Campus France](#) procedure for pre-registration in Lille 1 University and in order to obtain a student VISA. Scores for TOEFL/IELTS/TOEIC tests can be asked during this procedure.

If your country does not have a Campus France agency, you must complete the [validation procedure](#) (contact the secretary for information).

Complete the following form (2 pages) and send it back with the documents mentioned in page 3 before March 15th 2017 to the secretary:

- by **electronic mail** (form + documents in one pdf or zip file)
- by **postal mail** after validation of electronic file

Studies

Academic year	Diploma (degree + field of studies)	University/Country	Rank and Final Note
2016/2017			
2015/2016			
2014/2015			
2013/2014			
2012/2013			

Languages

Apart from English, what other languages do you speak (level: basic, independent, proficient, native)?

- French: - -

Employment history related to your field of studies (list year, duration, job title, employer, location)

-

-

-

Practical experiences / Internships (list year, duration, location and topic)

-
-
-

Scholarships

Do you apply for a fellowship? (*Please tick the appropriate*) YES NO

If the answer is “YES”, please provide an additional recommendation letter from one professor of the Bachelor degree.

In case I am not selected for the scholarship (*Please tick the appropriate*)

- I won't go on the procedure for admission in Lille1 University
- I am still interested and will go on with this admission procedure

Additional question: How did you find out about the Master Atmospheric Environment program?
(*Professor, friends, internet [indicate website]*)

Statement of Understanding

“All the information in this application is true, accurate, and complete to the best of my knowledge. I understand that withholding, misrepresenting, or giving false information will invalidate my application and make me ineligible for admission.”

Date (dd-mm-yyyy):

Signature of the applicant (handwritten):

Send the complete and signed application form with the following documents:

NEVER SEND ORIGINAL DIPLOMAS/RESULTS

- Copy of passport (identity page);
- A motivation letter where your career prospect will be mentioned (1 page);
- A passport size photo;
- Copy of academic notes (official document) for Bachelor 3, and Master 1 (at least semester 1) degrees;
- Copy of English language certification: TOEFL/TOEIC/IELTS test results if available, Certificate of English as medium of instruction, or Europass Language Passport;
- Two (three if you apply for a scholarship) original recommendation letters signed and stamped from professors of Master 1. The recommendation letter should include: i) a final recommendation (strong support/support) and ii) the rank of the candidate in the corresponding unit (the three first/the first half/the second half of the class).

Selection results will be given on March 31st 2017
